PROFESSIONAL SUMMARY

First-year B.Tech Computer Science Engineering student with hands-on experience in Python and C programming, basic web development, and digital content creation. Built beginner-level software projects while independently managing short-form video content, achieving 43K+ and 13K+ views on individual videos through organic reach. Interested in software development, practical problem-solving, and learning through projects and team-based challenges.

EDUCATION

B.Tech in Computer Science Engineering | 2025 – 2029

Sree Dattha Institute of Engineering & Science

Intermediate (11th–12th)

Narayana Junior College

ICSE (10th Grade)

St. Joseph Public School

TECHNICAL & DIGITAL SKILLS

Programming: Python (Basic), C Programming (Basic), Data Structures (Basic Understanding)

Web: HTML, CSS

Productivity: MS Excel

Creative & Digital: Video Editing, Reel Editing, Content Creation, Social Media Marketing, Trend Analysis

Soft Skills: Communication, Teamwork, Quick Learning

PROJECTS

Content Creator & Video Editor — Instagram Page | *Self-managed* | [instagram.com/ajframeverse](https://www.instagram.com/ajframeverse)

- Created and edited short-form video content (Reels) with a focus on hooks, pacing, storytelling, and trend-based editing.
- Achieved 43K+ and 13K+ views on individual videos through organic reach.
- Managed content planning, captions, posting, and overall page strategy while experimenting with formats to understand audience preferences.

Basic Calculator — Python

- Developed a beginner-friendly calculator program for common arithmetic operations, strengthening Python fundamentals.

Personal Portfolio Website — HTML & CSS

- Designed a basic responsive-style portfolio website to present profile information, skills, and contact details using HTML and CSS.

Student Record System — C Programming

- Created a basic C program to store and manage student details, practicing variables, data handling, and program logic.

ACHIEVEMENTS

- First Prize — Science Exhibition (2025): Secured 1st place at Sree Dattha College for presenting a science project.
- Basketball Tournament Winner (2019): Won a gold medal as part of the St. Joseph Public School team.
